THE CONFERENCE SPONSORS

PowderMet2007 is sponsored by the
Metal Powder Industries Federation and APMI International

Membership in either organization is not required for conference participation.

MPIF is an international federation of independent and related trade associations representing companies engaged in various aspects of the powder metallurgy and particulate materials industries. MPIF includes the following trade associations:

Powder Metallurgy Parts Association
Metal Powder Producers Association

Powder Metallurgy Equipment Association
Advanced Particulate Materials Association

Metal Injection Molding Association
Refractory Metals Association

APMI International is a worldwide technical society for professionals interested in developments in powder metallurgy and particulate materials technology. APMI operates out of the same offices as MPIF in Princeton, New Jersey.

The conference is also endorsed by:

ASM International (ASM)

TMS – The Minerals,
Metals and Materials Society
