

# CONFERENCE OVERVIEW

## 2009 INTERNATIONAL CONFERENCE ON POWDER METALLURGY & PARTICULATE MATERIALS

### TRADE EXHIBITION

100 booths showcasing leading suppliers of powder metallurgy and particulate materials processing equipment, powders, and products

### SPECIAL CONFERENCE EVENTS

Including special guest speakers, luncheons, Sunday evening's Welcome to Las Vegas event and Monday evening's main social event and Cirque du Soleil® Beatles™ LOVE™ show.

### THE PROGRAM IS ONLINE ...

Visit [www.mpif.org](http://www.mpif.org) to find the latest conference program with complete abstracts, schedule of events and listing of exhibitors.

### THE CONFERENCE SPONSORS

PowderMet2009 is sponsored by the  
**Metal Powder Industries Federation**  
**APMI International**

Membership in either organization is not required for conference participation.

MPIF is an international federation of independent and related trade associations representing companies engaged in various aspects of the powder metallurgy and particulate materials industries. MPIF includes the following trade associations:

- Powder Metallurgy Parts Association
- Metal Powder Producers Association
- Powder Metallurgy Equipment Association
- Advanced Particulate Materials Association
- Metal Injection Molding Association
- Refractory Metals Association

APMI International is a worldwide technical society for professionals interested in developments in powder metallurgy and particulate materials technology. APMI operates out of the same offices as MPIF in Princeton, New Jersey.

*The conference is also endorsed by:*

Minerals • Metals • Materials

**CD-ROM manuscript pre-prints  
included with registration.**

**Hotel Rates  
Only \$95!**
