

TECHNICAL PROGRAM

Over 170 worldwide industry experts will present the latest in powder metallurgy and particulate materials. Visit www.mpif.org to find the latest conference program with complete abstracts, schedule of events and listing of exhibitors.

TRADE EXHIBITION

100 booths showcasing leading suppliers of powder metallurgy and particulate materials processing equipment, powders, and products.

SPECIAL CONFERENCE EVENTS

Including special guest speakers, luncheons, Sunday evening's welcome reception and Tuesday evening's dinner and main social event.

THE CONFERENCE SPONSORS

PowderMet2010 is sponsored by the

Metal Powder Industries Federation and
APMI International

Membership in either organization is not required for conference participation.

MPIF is an international federation of independent and related trade associations representing companies engaged in various aspects of the powder metallurgy and particulate materials industries. MPIF includes the following trade associations:

- Powder Metallurgy Parts Association
- Metal Powder Producers Association
- Powder Metallurgy Equipment Association
- Metal Injection Molding Association
- Refractory Metals Association
- Isostatic Pressing Association

APMI International is a worldwide technical society for professionals interested in developments in powder metallurgy and particulate materials technology. APMI operates out of the same offices as MPIF in Princeton, New Jersey.

The conference is also endorsed by:

**CD-ROM manuscript pre-prints included
with full-conference registrations.
See page 27 for details.**
