Tabletop Added Bonus: Technological Process & Product Innovations Session

At no extra charge, exhibitors have the opportunity to participate in a session dedicated to the exchange of commercial capabilities and products. Tabletop exhibitors have 10-minutes to present your products/services on Tuesday, March 20 (2:00–5:00 pm). You will receive email notification on what time your representative is scheduled to present to the group.

___ **Yes**, we will present during the Technological Process & Product Innovations Session.

___ **No**, we're not interested and will not present during this special session.

Exhibitor Profile

A profile of each exhibiting company will be used for promotional purposes in the MIM2012 conference Web site and distributed to conference attendees.

___ Use the attached profile (100 words or less)

___ We are a returning exhibitor. Please forward me the MIM2011 profile for consideration
