POWDERMET Student Grant Recipient Poster/Presentation Provisions

POSTER

Poster Awards
The designation of “Outstanding Poster” and “Poster of Merit” will be awarded by the Poster Program Awards Committee based on the following criteria:

- Technical, scientific, and professional integrity
- Presentation clarity and overall esthetic appearance
- Enhances practical or industrial value for the industry

In order to be eligible for judging, posters must be setup and on display prior to the opening of the conference (exact area and time to be announced).

Preparation

- Posters must contain authors' names, title of presentation, an abstract and materials such as graphs, charts, tables and photographs that are necessary to convey the research, not copies from the manuscript. The poster should be easy to read from a distance.
- Each presenter will be provided a hard-standing panel with a 3' x 6' (91.4 cm x 182.9 cm) area in which the poster information will be affixed to panels with Velcro provided by MPIF.
- A sign for each panel will contain the title of the presentation as submitted, authors' names and countries, poster group name and paper number.
- It is encouraged that poster be laminated as one sheet (author’s responsibility).
- Manuscripts are optional but encouraged. See Manuscript Preparation Guidelines for information.

Panel will contain title of presentation, names of authors, paper number and countries (this sign will be provided)
Poster Setup/Display
- Authors will be responsible for hanging their posters. (*Exact area and time to be announced.*) • Posters will be on display Sunday, Monday & Tuesday.
- Poster authors shall be at their display during the PM Evening Alehouse, Monday, June 29 (4:30–6:30 p.m.)

Removal
- Authors are responsible for removing posters on Tuesday from 3:00 p.m. to 4:00 p.m. Posters not removed by this time will be discarded.
- MPIF is not responsible for returning/shipping posters to authors.

PRESENTATION
- Each poster author will be allotted a 10-minute time slot to present their poster during Talk ‘N Technology (*exact area and time to be announced*). The poster information should be contained in a PowerPoint presentation as the hard-standing poster panel will not be available for display during the Talk ‘N Technology sessions.
- PowerPoint resolution should be Widescreen 16:9.
- Authors with videos embedded in their PowerPoint presentation should use their own computers. No audio is permitted.
